What a blessing to live in a country, state and city that so highly values our incredible police officers! And moreover, for so many residents that support our police department, for which we are extremely grateful!! With the continued growth in Vestavia Hills and the population now at ~39,000, our Vestavia Hills Police Department (VHPD) does an incredible job in keeping our city safe, in fact being named the Safest City our size in Alabama.

With your generous support, The Vestavia Hills Police Foundation (VHPF) is committed to standing alongside our officers as they serve our community 24/7 365 days a year. We want to ensure they have the tools needed in their efforts to serve and protect everyone who lives in or visits our community. **And your generosity can make this possible.**

We know that you have many options for your year-end giving and we would like to ask you to consider making a year-end tax-deductible gift to the Vestavia Hills Police Foundation (VHPF) by December 31 to ensure the VHPF can continue to serve our officers and to meet ongoing needs beyond what is budgeted.

Our primary goal this year and next is to:

- Establish and continue to grow a fund to install a virtual training system in the new sub-station that is under development/construction in the eastern part of Vestavia Hills. This is an immediate goal to enable our Officers to train locally in lieu of leaving the City.

Ongoing efforts this year to support our Officers, among other things, we have been able to assist by:

- Continued support for an officer that was injured in the line of duty;
- Awarded a scholarship for a police officers' child attending college;
- Continue our benevolence to VHPD officers who have had newborns and who have lost family members; and
- Providing immediate help to meet many unexpected needs of our officers

Your generous gift before December 31 makes all the difference in helping us maintain and strengthen our Mission to serve the men and women of the VHPD.

With deepest appreciation and thanks,

Karen J. Odle
President
Vestavia Hills Police Foundation
